### PRODUCT DESCRIPTION TECHNO BOOTIE ULTRAGRIP

The Techno BOOTIE UltraGrip offers the best comfort, safety and durability for all activities. It is a low boot tailored for wider calves. It offers thermal insulation down to -30°C / -22°F. Techno BOOTIE keeps your feet dry and warm in cold and wet working conditions. The boot is resistant to oils, fats, organic solvents and a variety of chemicals. The UltraGrip SRC outsole offers superior safety and grip in all conditions. Thanks to the best BASF polyurethane raw material this is the world's most comfortable and versatile low working boot. Lightweight, strong, flexible and with a durability 3 to 4 times longer compared to the traditional pvc and rubber boots. The superior durability and competitive pricing offers important cost savings. The removable, shockabsorbing and washable insoles give you the comfort you deserve. Techno BOOTIE UltraGrip : the best and most comfortable solution for all jobs. No more heavy or tired legs after a hard day's work. Techno BOOTIE UltraGrip has the following certificates : CE, S4, S5, SRC (SRA + SRB), CI (cold insulation).
