SOLUTIONS

PROTECTION AND COMFORT YOU DESERVE

## ABOUT US

CMF Footwear was built on a foundation of 25 years of experience in footwear with the mission to provide top quality polyurethane safety wellington boots combined with utmost safety and comfort. Having invested with the latest DESMA technology and finest raw materials, our goal is to continuously improve and raise the standards of the market. With this in mind, all of CMF's products are strictly tested and CE certified by the world renowned PFI Institute.

Currently producing with an annual capacity of over half a million pairs, CMF Footwear applies ISO 9001 standards while following rigorous safety and health regulations.

- \* Washable
- \* Odour Resistant
- \* Slip Resistant
- \* Wear Resistant

- Techno Boots are ultra light. No more heavy or tired legs after a hard day's work!
- Techno Boots offer unique durability lasting three or four times longer than PVC or rubber boots.
- Elastopan thermal-insulating material in cold places up to  $-30^{\circ}\text{C}$   
No sweaty feet in summer no cold feet in winter!
- Flexible material. In cold temperatures, constant temperature variations, no cracking or breaking will occur.
